CONCEPTS — DUBAI · MUNICH · DENVER · NORTHEAST INDIA

Four cities.
Four broken products.
What we'd build instead.

CONCEPT 01 — DUBAI · OFF-PLAN REAL ESTATE

Sold before it's built.

Off-plan buyers wait three years for a home they chose from a PDF. One app from launch day to keys.

<5 min LAUNCH TO RESERVATION

CONCEPT 02 — MUNICH · INSURANCE

Insurance people finish.

One question per screen instead of forty fields on one page. Accessible by law since June 2025.

<4 min QUOTE TO POLICY

DESIGN TARGET

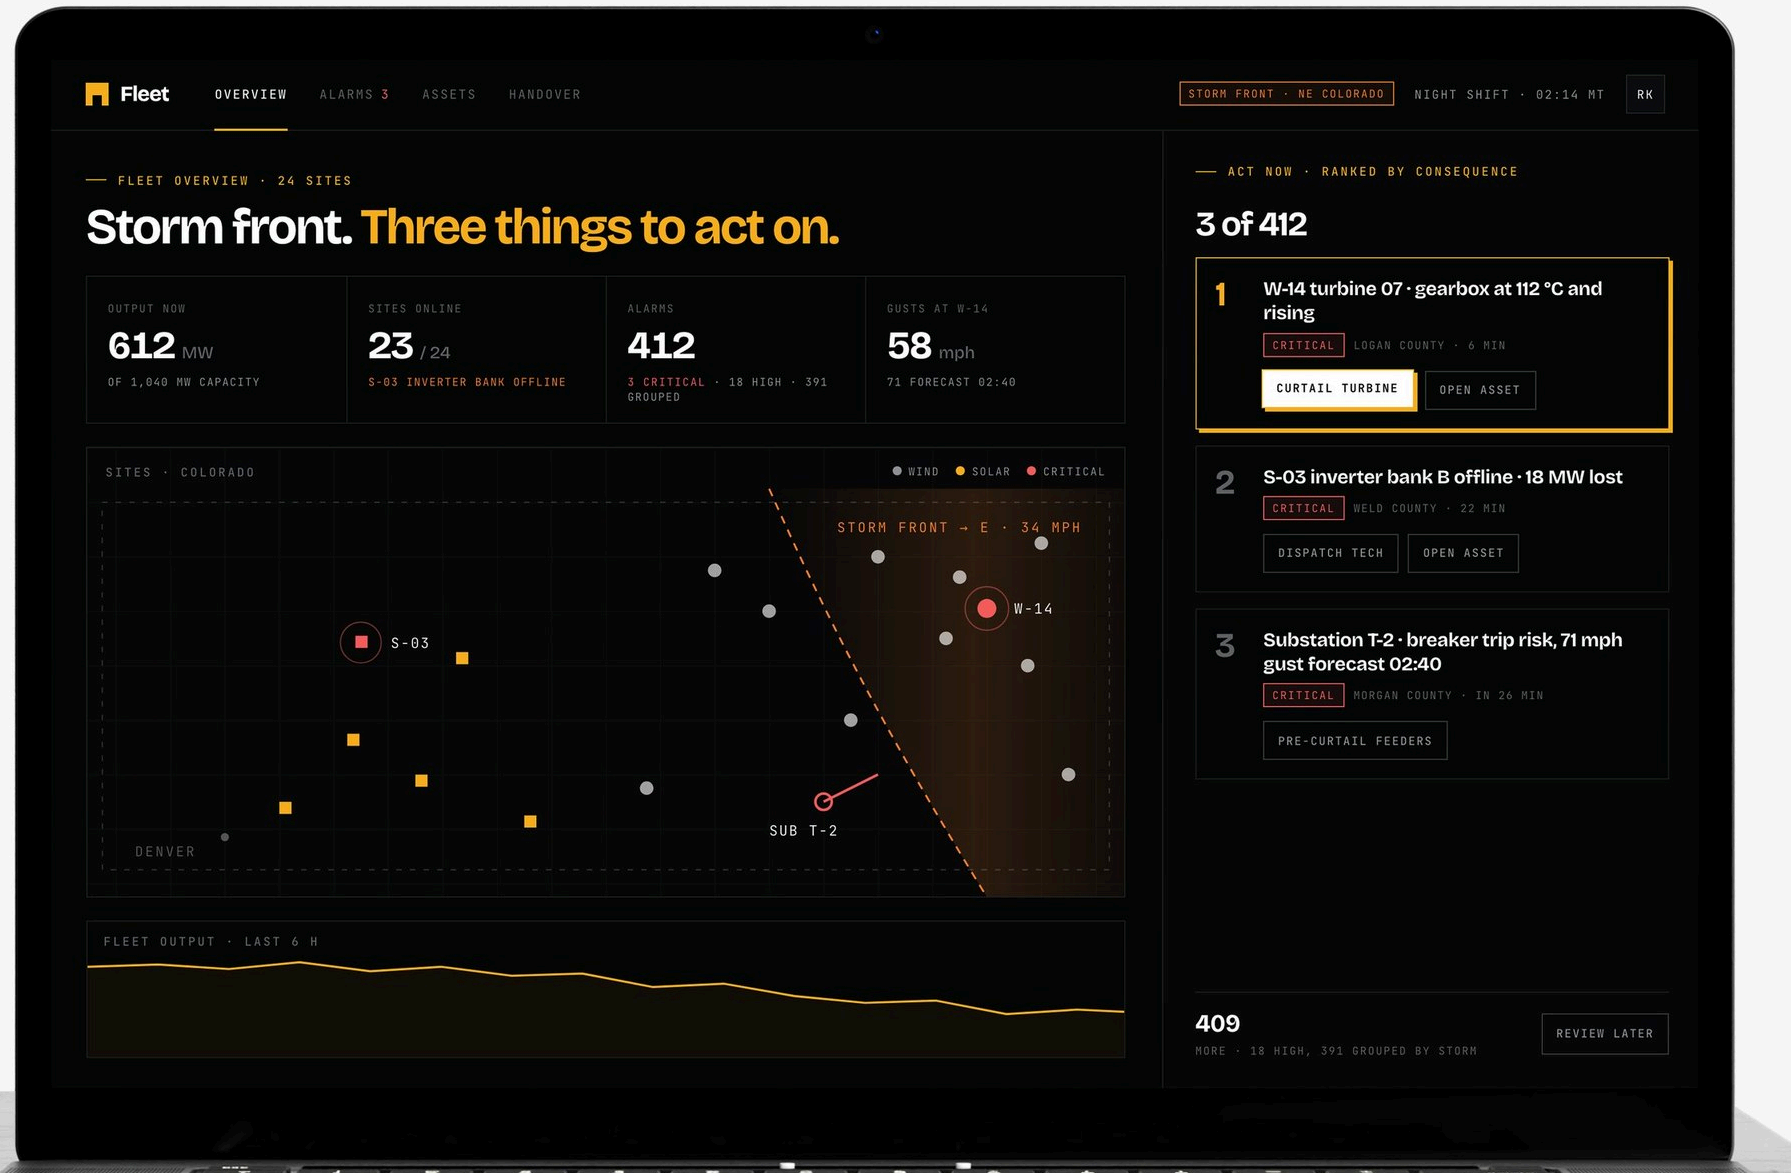

CONCEPT 03 — DENVER · ENERGY OPERATIONS

Tools that match the hardware.

A storm puts hundreds of alarms on screen in the same red. We rank them by consequence, the critical three on top.

CONCEPT 04 — NORTHEAST INDIA · ADMISSIONS

Admissions on a weak signal.

Every answer saved on the phone, sent when the signal returns. Status by SMS. Works on 2G.

WHAT THE FOUR HAVE IN COMMON

The failure is never on the homepage.

It's the moment someone is alone with the software.
